Thank you for your recent letter affirming your continued interest in serving with this Agency.

We are grateful for your offer and deeply appreciate the patriotic motivation underlying it. We do not have an opening which would fit your qualifications, but this fact should in no way be taken by you as any reflection on your skills or intentions.

It is a source of gratification to us, and I hope to you, that so many well-qualified individuals have made themselves available for our work. In the area in which you are qualified, we have been able to satisfy our requirements.

We are returning the letter marked Copy "D" as you requested.

Sincerely,
